Personal Data Protection

The institution responsible for processing your data is THE TATIANA PÉREZ DE GUZMÁN EL BUENO FOUNDATION, owner of the International Centre for Neuroscience and Ethics (CINET). The data will be processed for the purpose of processing applications for grants made in response to the different calls that are announced. Under the legal conditions, you have rights of access, rectification, deletion, portability, limitation and opposition to the processing of your data.

- I accept the Foundation or CINET sending commercial communications, including by electronic means, about their activities, events, calls, conferences and presentations.
In case of being selected:
- I accept disclosure of my name, surname, original study specialty, destination centre and area of research in the social networks, activity report, publications and website of the Foundation or CINET in order to publicise and raise the visibility of the research careers of grant recipients.

For further information on the processing of your personal data see the terms and conditions of the call, available at (www.inecenter.es)
